

Examination Results

Summer 2015

Our 2015 Year 11 pupils achieved excellent results across the board. 100% achieved between 1 – 4 entry levels at distinction grades, and , almost a third of pupils achieved at least 1 A* - G in both GCSE English and Maths. All pupils also gained a wide range of functional, vocational and life skills qualifications and have succeeded in gaining Post 16 placements on courses which will continue to help them build on their achievements. We also recognise their results as part of a broader picture of achievement. Alongside each set of qualifications is a unique story for each pupil not just of their academic achievements, but also the significant social, emotional and personal development progress they have made

24 pupils in the year group (numbers in tables below will not always total 24, as not all pupils sit every exam)

GCSE

	Number of pupils gaining grade				
	C	D	E	F	G
