Automotive

Qualification Title

IMI Entry Level 3 Certificate for the Introduction to Motor Vehicle Industry and Technologies. (E3) (VRQ)

QCA Number

E3 – 601/8196/5

Time Needed

1 option block

Course Description

This qualification is designed to engage and motivate 14-16 year olds who are interested in learning about the automotive retail industry. It is aimed at learners who prefer and respond to 'hands-on' learning. Practical assessments, including many visual questioning techniques are used to stimulate and interest learners.

This Certificate is ideal for those students who wish to undertake a qualification which will support their progress to a Level 1 qualification. It can also supplement their progress to GCSEs and other appropriate destinations.

As well as careers guidance, health and safety, PSD units, technical units including engine components and operation, tyres and wheels, cooling and lubrication, body fitting and routine maintenance will be completed in our modern well equipped workshop.
